

## PRESS RELEASE

FOR IMMEDIATE RELEASE: December 6, 2007

**Scott Dixon Announces Dixon Companies, Inc.**

(McHenry, IL) — Scott Dixon, President/CEO, announced today a new name and global direction for Prime Commercial Corp. The construction and real estate development company headquartered in McHenry has evolved to the new name: **Dixon Companies, Inc.** This parent company encompasses three distinct business groups formed to provide focused, comprehensive client services:

- **Dixon Construction Group, Inc.**
- **Dixon Realty Group, LLC**
- **Dixon Residential Group, Inc.**

Scott Dixon will direct the organization as it continues to expand globally through project location and diversification. Known for his twenty years of developing many Illinois and Wisconsin projects, Scott Dixon reported that client demand has broadened business to North Dakota, Colorado, Ohio, South Carolina and other sites nationwide.

Dixon also announced that Mike Gazzola, with the company since early 2007, has been named president of **Dixon Construction Group, Inc.** Gazzola has over 22 years of experience in commercial and industrial real estate. He has been instrumental in refining the sales delivery platform and coordinating real estate transactions and operations at all company locations. In his new position, Gazzola will focus on managing construction and development of sites throughout the country.

In addition to their headquarters at 420 N. Front Street in McHenry the company has offices in Rothschild, Wisconsin and Yorkville, Illinois.

Comprehensive services offered by **Dixon Companies, Inc.** include:

- **Business Park Development**
- **Commercial and Municipal Construction**
- **Residential and Hospitality Projects**
- **Office and Industrial Facilities**
- **Corporate Real Estate Services**

**Dixon Construction Group** delivers project management expertise with a turnkey approach based upon timing, budget and design considerations of select clientele. **Dixon Realty Group** provides solutions in development, investment and program management. **Dixon Residential Group** develops, constructs and owns multi-family projects including a townhouse development in Genoa City, Illinois; a mid-rise condominium in northern Illinois; plus Class A apartment communities throughout the nation.

Recent local projects completed by **Dixon Companies, Inc.** include: Family Services of McHenry; Raymond's Bowl in Johnsburg; American Community Bank in Huntley; Other World Computing of Woodstock; State Bank of the Lakes in Antioch; Animal Control of McHenry County and SEC Group Building in Yorkville.

**Dixon Companies, Inc.** is focused on client advocacy at every stage of a project. From site selection, government relations, sourcing financing and coordination of architecture/engineering to economic incentive packaging, construction management, complete payout/title/bank coordination, build-to-lease or own, **Dixon Companies, Inc.** has a new global vision, is a global resource and delivers global solutions.
